**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION (MPEP 711.03(c)II)**

Pursuant to MPEP 711.03(c)II and in response to the Notice of Abandonment mailed July 31, 2003, Applicant hereby petitions to withdraw the holding of abandonment of the above-mentioned application. The application was abandoned for failure to respond to the Office Action mailed on December 9, 2002. An adequate showing of the cause of delay, and that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR §1.137(a) was unavoidable, is set forth below.

Jenkins & Gilchrist, P.C, never received the Office Action mailed on December 9, 2002. A search of the file jacket and docket records confirms that the Office communication was not received. Attached as Exhibit A is a copy of the Jenkins & Gilchrist, P.C. docket record where the non-received Office communication would have been entered had it been docketed. Exhibit A is thus "a copy of the docket report showing all replies docketed for a date three months from the mail date of the non-received Office Action", as the communication would have been docketed due March 9, 2003 if it had been received. Due to the fact that Jenkins & Gilchrist, P.C. manages thousands of U.S. and foreign patent files, a hand written log of due dates is not kept.

Counsel for Applicant promptly contacted Examiner Jeremy Pierce upon receipt of the Notice of Abandonment (which was forwarded by Applicant's former law firm) and received a copy of the Office Action from him on August 25th. During the nine (9) business days

Attorney's Docket : 15 211001 / 233USPT

(excluding holidays and weekends) between August 25th and the filing date of this Petition, counsel for Applicant reported the substance of the Office Action to its client, Applicant reviewed the Office action and provided instructions to its counsel, Applicant's counsel reviewed the Office Action and drafted a suitable reply thereto, and there were multiple communications with Jenkins & Gilchrist, P.C. to establish the conditions upon which the necessary docket printout would be provided, as Applicant's counsel is no longer with Jenkins & Gilchrist, P.C. Based on the foregoing evidence, Applicant submits that the entire delay was unavoidable. Therefore, Applicant requests that the abandonment be withdrawn and that the enclosed Office Action Response be accepted as a response to the Office letter mailed December 9, 2002.

In the interest of expediting prosecution of this application, a response to the outstanding Office Action, including a Request for Continued Examination, is being filed herewith.

Enclosed is a check for \$110.00 to cover the fee for this petition as well as a check for \$750.00 to cover the RCE fee. Please apply any other charges or credits to Deposit Account No. 06-1050.
